25 Years 1982-2007

CALEDONIAN

FURNITURE + INTERIORS DESIGN AND BUILD

- **Welcome to our little presentation and thank you for looking in.**
- **For 25 years we have been designing and building furniture and interiors for lots of customers.**
- **But many businesses don't know about us as we have almost always worked through the office equipment trade.**
- **We hope you will find this brief look interesting and perhaps we can help YOU with your project.**

25 Years 1982-2007

CALEDONIAN

FURNITURE + INTERIORS DESIGN AND BUILD

Here at Cumbernauld we make furniture in our steel, woodworking and upholstery departments.

14,000 square feet in all, so we can look after your project whether a single piece or a complete fit-out.

CALEDONIAN

FURNITURE + INTERIORS DESIGN AND BUILD

- Many customers use our Design and Build Service and we do this in our design department using the most up to date Computer Aided Design techniques.

- Our designers are fully qualified and experienced in furniture and interior design

Committed to best practice – always.

25 Years 1982-2007

CALEDONIAN

FURNITURE + INTERIORS DESIGN AND BUILD

- Wood machining and cabinetmaking is perhaps the biggest department. We work in every type of material using modern machinery including computer controlled cutting and shaping. In fact if we can draw it—we can make it !

25 Years 1982-2007

CALEDONIAN

FURNITURE + INTERIORS DESIGN AND BUILD

- The real advantage in coming out to see us at the factory is that you can see full sheets of material and a vast range of other materials and fittings. It makes it so much easier to visualise your project. We can also show you lots of other projects we have on file. You really are most welcome.

-

CALEDONIAN

FURNITURE + INTERIORS DESIGN AND BUILD

- There is no doubt that many, many customers still prefer our traditional all welded, guaranteed (5 years), steel furniture frames. This is still a very popular feature and is maintained in our exciting new ranges. Particularly popular in Education, Healthcare, and Public Amenity projects. There is a full range of epoxy powder coating colours available.

25 Years 1982-2007

CALEDONIAN
